The new generation SL.

You may think you know the SL. You know the car that drives you mad – it's just not the generation you're used to. The new generation SL is a new star in the Mercedes-Benz constellation. It's not just a car, it's a statement. It's a statement of style, of elegance, of performance. It's a statement that says, "I'm not just a car, I'm a lifestyle." The new generation CLS.

A sleek, elegant, yet bold design. The CLS combines the best of both worlds – the elegance of a coupé and the practicality of a sedan. It's a car that's as beautiful as it is functional. The new generation CLS is a new star in the Mercedes-Benz constellation. It's not just a car, it's a statement. It's a statement of style, of elegance, of performance. It's a statement that says, "I'm not just a car, I'm a lifestyle."
